ARKANSAS DAY IN MISSISSIPPI

All Larger Towns Celebrate
Day When Great War
Came to End.

JACKSON, Miss., Nov. 11. (Sp.)—Observance of the anniversary of the signing of the armistice was somewhat general in the larger cities and towns of Mississippi today.

Pursuant to the governor's proclamation, all public business was suspended. The statehouse remained closed during the day and the Jackson city hall also observed the holiday.

MISSISSIPPI G. O. P.
IS SPLIT IN TWO

JACKSON, Miss., Nov. 11. (Sp.)—The usual split has developed in the Republican party in Mississippi, and a lively fight is in prospect.

Two calls have been issued for a meeting of the Republican state executive committee in this city on Nov. 17, and it may develop into one of the old-fashioned knock-down-and-draw-out affairs characteristic of the days when Jim Hill and John R. Lynch were leaders of the rival factions.

One of the present factions is led by W. G. Ligon, chairman of the Republican state executive committee, who with George C. Canberry, of this city, has issued a call for the meeting Nov. 17, naming the place of assembly in a hall on Parish street, while another call signed by M. J. Mulvihill, of Vicksburg, Republican national committee man for the state.

The split appears to be irreconcilable, and doubting means that both factions will send delegations to the next Republican national convention clamoring for recognition.

Neither faction, strange to say, is of the lily-white persuasion, both having negroes within their membership. It appears that new lines have been formed, and new leaders developed since the death of Hon. L. B. McCombs, of this city, who managed to keep party affairs in a measure harmonious for nearly a decade.

INITIATED AT CLARKSDALE**

CLARKSDALE, Miss., Nov. 11. (Sp.)—With about 20 members of the Memphis lodge present, the initial meeting of the Clarksdale Loyal Order of Moose was held here Sunday afternoon in the McWilliams building, preliminary plans looking to the establishment of the order being adopted and officers of the lodge elected.

The following were the officers selected: Ex-Gov. Earl Brewer, junior past dictator; A. R. Row, dictator; W. W. Bradshaw, vice-dictator; C. W. Glass, secretary; R. E. King, inner guard; Sol Sargent, outer guard; Max Landau, H. B. Stone and Earl Rice, trustees; and Ben Jacobson, sergeant-at-arms.

Beginning Tuesday evening and continuing throughout the week the Superior shows a musical company, will show in this city, a part of the profits taken in being donated toward the infant Moose organization.

Important to all Women
Readers of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer pain in the back, headache and loss of ambition. Poor health makes you nervous, irritable and may be dependent: it makes anyone so. But hundreds of women claim that Dr. Klinger's Swamp-Root, which brings health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Klinger & Co., Birmingham, N. Y., you may receive sample size bottle for free. You can purchase medium and large size bottles at all drug stores.

50 Eggs a Day
Instead of 12

"More Eggs" Tonic is a Godsend; before using it I was getting only 12 eggs a day and I am now getting 50," writes Mrs. Myrtle Lee of Boston, Ky.

"More Eggs" Tonic has already been used by 400,000 chicken raisers and literally thousands of letters have been received of its marvelous results. Any poultry raiser can easily increase his profits by doubling the egg production of his hens. "More Eggs" is a scientific tonic that restores the flock and makes the hens lay all the time. "More Eggs" will double the production of every healthy hen. It is everywhere making big profits for the giving their hens "More Eggs." The results of a few cents' worth will amaze you.

Send \$1.00 to E. J. Weffer, the poultry expert, 1200 Reifer Bldg., Kansas City, Mo., and he will send you a season supply of "More Eggs." A million-dollar bank guarantee if you are not absolutely satisfied. Your dollar will be returned on request. So there is no risk. Send a dollar today. Profit by the experience of a man who has made a fortune out of poultry.

JACKSON KEEPS DAY.

JACKSON, Miss., Nov. 11. (Sp.)—Today was observed as a holiday in Jackson. Practically all of the merchants headed the procession of Mayor J. E. The city schools were not closed as the teachers asked for Friday following Thanksgiving instead. The war veterans are assisting the Red Cross in securing memberships. Dr. J. E. Brown, pastor of the First Presbyterian church, will have a special armistice day program at prayer meeting, Wednesday night.

**WOMEN SIT IN 105TH
MERIDIAN CONFERENCE**

MERIDIAN, Miss., Nov. 11. (Sp.)—The annual Methodist conference will begin its 105th conference here on Wednesday, the seventh session held in Meridian, beginning with 1871. The conference contains 205 ministerial and 34 lay delegates and a number of non-members, representing half of the state.

A particular feature will be the fact that it will be the first time that women will sit as fully accredited delegates with equal privileges with the men.

Bishop John G. Kilgore, of Charlotte, N. C., will preside over the conference. Other prominent church figures expected to be present are Bishop W. F. McMane, of Louisville, Ky., and Dr. F. S. Parker, of Nashville, Tenn.

The four ladies to be present as delegates are Mrs. M. B. Blumhough, Fort Gibson; Miss Ella Wayne Ormond, Meridian; Mrs. P. P. Lewis and Mrs. H. P. Tolson, both of Jackson.

There are two pastors in the conference now serving the fifth year in the same pastorate. This rule is only in effect where there are important reasons for a four-year pastorate should be extended. Among those affected by the rule are Rev. B. B. Watkins, of the Central Methodist church, Meridian, and one other. Nothing definite will be known as to the approval of the extension of the appointments until made by Bishop Kilgore next Monday morning.

Children's Book Week

NOVEMBER 10-17

An Innovation All Over the Country

A cordial invitation is extended to parents and children to visit our store this week and see the wonderful collection of books selected especially to entertain and make happy the boy or girl who will ask Santa Claus to bring them a book for Christmas.

Where is the grown-up today who does not recall with what delight they pored over the stories of childhood and marveled at the doings and sayings of the queer folks in Fairy Land, and of that wonderful old person, Mother Goose?

Here are books for all ages—the day to and the kiddies of all sizes and tastes. You will not be asked to buy unless you wish to do so—but our suggestion is to make your selections before the rush—as the holidays are close at hand.

On Wednesday afternoon, from 2 to 5 o'clock, we will play the songs of Mother Goose from the Bubble Book on the Phonograph, a most delightful entertainment for the winter evenings at home.

Come and bring the kiddies. All are welcome. Out-of-town friends should ask for catalogue.

**A POPULAR HOTEL
MAN'S WIFE SAID NU-VIM
RELIEVED HER
WHEN OTHER MEDICINES
DID NOT**

Mrs. C. T. Jenkins, of the Metropolitan Hotel, Columbia, O., said: "I had a bad stomach for two years, and all I ate soured and caused great pain, and gas went through my system. The physicians and doctors would follow that was hard to endure. I had done a lot of doctoring, and had received no benefit. It so hindered me in my duties that I had to do something to get relief, and as Nu-Vim was made in Columbus, I thought I ought to try it, as so much was said in its favor. I did take it and I am glad I did. It gave me much relief so I can eat anything I choose, and have no ill effects. I keep it in the house and often give others a dose. It's the best thing I know of, and I cheerfully recommend it to others."

Readers: We are trying to reach the sick with Nu-Vim. It is all medicine for the stomach, blood, liver and kidneys, and a vegetable iron that will give you great strength and health, and if you want immediate relief, call at your nearest druggist, and take nothing else. If you can't get it send \$1.04 revenue to Nu-Vim Drug Co., Columbus, Ohio, and they will send large bottle prepaid promptly.

Now on sale at Warner's drug store, Gayoso Hotel, Warneck-Baker Drug Co., Bellevue and London, Memphis, and all other druggists.
